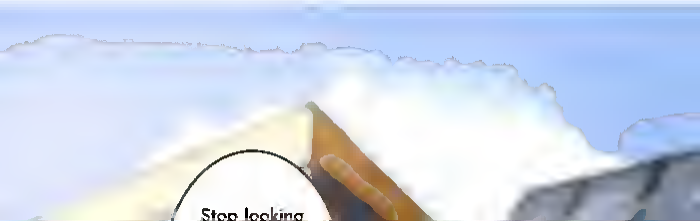
where Tangents meet



back.
The academy
is still
going to
be there.

I know,
but what if
we get
caught?

Then you can
accuse me for
ditching and
say you were
trying to drag
me back to
campus

I feel like that wouldn't be right either!
Well, there's no turning back now. Besides, classes are almost over, so there's no use in stressing over it either.
So what do you want to eat?
...

C-curry!
It looks amazing!!
You're not going to eat...?
Yeah. It's

fine, I'm a picky eater.
Go ahead and dig in
Ok!
ISH DERISHISH~
I'll pay you back tomorrow, okay? O-or I'll treat you to lunch next time!

curry is my fate!!!
What the...
First of all, I'm not sure if I want to be seen with you in public after this.
Secondly...

Don't talk with your mouth full! It's getting all over your face!
WIPES
Were you raised in the wild or something ?! Eat properly!
Unbelievable!
SIGH
pouts

"unbelievable~"
Oh. Very mature. You call yaurself a SC member?
"Oh~ Very mature~ You call yaurself a SC member~?"
...
Well, if yau're nat going to eat yaur curry, I guess I'll eat it
W-wait!!

for you.

No! I'm going to eat it!

It's getting pretty late, isn't it?

I'll see you home.

Aah~ The sky looks so nice and clear!
Yeah. Perfect for seeing the comet tonight--
...comet?

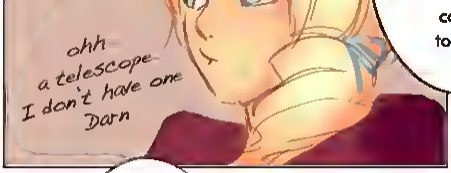
Crap... I shouldn't have said anything...

more about it?

Well, you can't see it--

I mean-- you *can*, but not with the noked eye, of course.

You'll need a telescope with a specific magnitude to see the



comet tonight.

You sure know a lot.

Hey, you must really like astronomy, huh?

Whot? Don't be dumb, I heard it on the news todoy. It's all common knowledge.

LIE

Oh, really?
Wait-- Did you hear that?
Are you trying to change the subject?
No. I'm serious--
Meeeeow
Oh-- I hear it too!

Where is it coming from though?

eeww

Meeww

Noo! That little kitten is stuck in the tree! W-we have to help it!

Yeah, yeah. Calm down, would you?

Did you get it yet? And don't let it scratch you--
here, kitty kitty~
I know-- Ah! I got him!
Aww! You are sooo cute!
Shall I take you home and make you my pet?

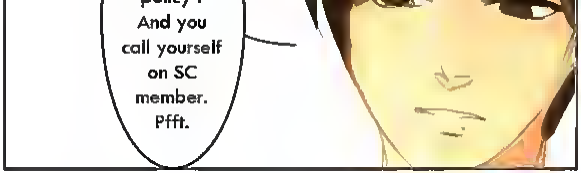
You? Can you even take care af a pet? You can't even remember to feed *yourself*.

. . . .

B-but we can't just leave him. He's *helpless*—

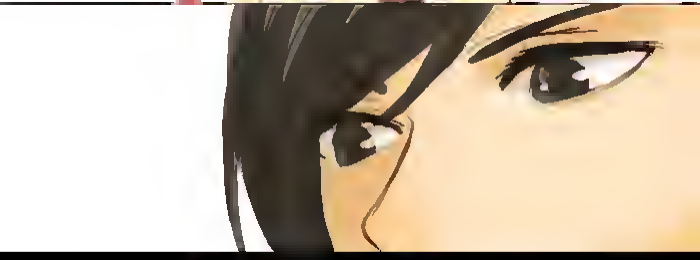
You're no different than the cat; you're just as helpless.

I guess I can look after him for a bit
I'm not sure if my parents will be okay with a cat in the house though.
Well, all the students will be moving into dorms next week.
Maybe you can keep him with you in your dormitory?
Aren't you forgetting the 'no pets



And you call yourself on SC member. Pfft.

But you said so yourself!
If we're going to hang out, we'll have to break a few rules, right?



There was something about her... I just didn't know what.

Ah.. Hey, big sis.
It's rother late, isn't it? I didn't see you ot school today either... Where hove you been?
—And is that a kitten?
No need to bombard me with questions.

I was just out with a friend, okay?
a friend...?
You mean Taiga?
Uh... Yeoh, sure. Him.
How is Taiga, by the way?
I dunno. Ask him yourself.

To be honest, I wasn't even sure if she was my friend.
I had only met her that day.

In fact, I didn't even know if I wanted to *be anything* to her.

But for whatever reason...

she was all that consumed my
thoughts that night
